Directors' Report

30 June 2022

1. General information (continued)

Information on directors (continued)

Information on directors (continued)

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Company secretary

The person who held the position of Company's Secretary at the end of the financial year was Daniel Robinson.

Review of operations

The operating result for the current year, amounted to a surplus of \$85,432 (2021: surplus of \$305,982).

	2022	2021
	\$	\$
Poker Machine Revenue	205,919	342,845
Bar Net Profit	20,218	97,687
Overhead Operating Expenses	550,860	631,427

Significant changes in state of affairs

No significant changes in the Company's state of affairs occurred during the financial year.

Principal activities

The principal activity of The Picnic Point Bowling & Social Club Ltd during the financial year was the provision of competitive and social lawn bowls.

No significant changes in the nature of the Company's activity occurred during the financial year.

Short term objectives

The Company's short term objectives are to:

- provide a social club for members and guests with the usual facilities of the club
- promote the game of bowls to both children and adults
- provide a meeting place for community groups

Long term objectives

The Company's long term objectives are to:

- maintain and upgrade facilities to attract new members both bowling and non-bowling to enjoy the facilities of the club
- increase involvement in community groups

ABN 34 000 243 247

Directors' Report

30 June 2022

1. General information (continued)

Strategy for achieving the objectives

To achieve these objectives, the Company has adopted the following strategies:

- attracting a new demographic of people with improved facilities as well as maintaining the 'small friendly club' atmosphere
- encourage the participation of bowling members
- attracting new bowlers and retaining existing bowlers members by offering the best playing facilities possible
- marketing the advantages of membership of the club
- striving to provide a high standard of customer service
- pursuing new marketing initiatives
- offering members and their guests excellent food and a friendly atmosphere

Members' guarantee

The Picnic Point Bowling & Social Club Ltd is a company limited by guarantee. In the event of, and for the purpose of winding up of the company, the amount capable of being called up from each member and any person or association who ceased to be a member in the year prior to the winding up, is limited to \$ 2 for members that are corporations and \$ 2 for all other members, subject to the provisions of the company's constitution.

Directors benefits

Since the end of the previous financial year, directors have received in the form of honorariums. Further details are provided in Note 17 to these financial statements.

2. Other items

Events after the reporting date

No other matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

Future developments and results

Likely developments in the operations of the Company and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the Company.

Environmental issues

The Company's operations are not regulated by any significant environmental regulations under a law of the Commonwealth or of a state or territory of Australia.

Dividends paid or recommended

No dividends were paid or declared since the start of the financial year. No recommendation for payment of dividends has been made.

Meetings of directors

During the financial year, 11 meetings of directors (including committees of directors) were held. Attendances by each director during the year were as follows:

ABN 34 000 243 247

Directors' Report

30 June 2022

Meetings of directors (continued)

Indemnification and insurance of officers and auditors

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of The Picnic Point Bowling & Social Club Ltd.

Directors' indemnity premiums have been provided for and paid by the Company during the year for Directors' and Officers' Liability Insurance. The Insurance is in respect of legal liability for damages and legal costs to a maximum of \$5,000,000 arising from claims made by reason of any omissions or acts (other than dishonesty) by them, whilst acting as Directors or Officers of the Company. No indemnities have been given or insurance premium paid, during or since the end of the financial year, for any person who is or has been an auditor of the company.

Proceedings on behalf of company

No person has applied for leave of Court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purposes of taking responsibility on behalf of the company for all of any part of those proceedings.

The company was not a party to any such proceedings during the year.

Auditor's independence declaration

The lead auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001*, for the year ended 30 June 2022 has been received and can be found on page 5 of the financial report.

Signed in accordance with a resolution of the Board of Directors:

Director:		
	Trevor John Tindall	
Director:		
	William Brown	

Dated 30 June 2023

ABN 34 000 243 247

Auditor's Independence Declaration under Section 307C of the Corporations Act 2001 to the Directors of The Picnic Point Bowling & Social Club Ltd

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2022, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Notes to the Financial Statements

For the Year Ended 30 June 2022

The financial report covers The Picnic Point Bowling & Social Club Ltd as an individual entity. The Picnic Point Bowling & Social Club Ltd is a Company, incorporated and domiciled in Australia.

The functional and presentation currency of The Picnic Point Bowling & Social Club Ltd is Australian dollars.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001*.

Australian Accounting Standards set out accounting policies that the Australian Accounting Standards Board has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amount presented in the financial statements have been rounded to the nearest dollar. The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2 Summary of Significant Accounting Policies

(a) Revenue and other income

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

Grant revenue

Government grants are recognised at fair value where there is reasonable assurance that the grant will be received and all grant conditions will be met. Grants relating to expense items are recognised as income over the periods necessary to match the grant to the costs they are compensating. Grants relating to assets are credited to deferred income at fair value and are credited to income over the expected useful life of the asset on a straight-line basis.

ABN 34 000 243 247

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies (continued)

(a) Revenue and other income (continued)

Interest revenue

Interest is recognised using the effective interest method.

(b) Income Tax

The Company is exempt from income tax under in accordance with a directive from the Australian Taxation Office

(c) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(d) Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

(e) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position .

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(f) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the weighted average costs basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

(g) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

ABN 34 000 243 247

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies (continued)

(g) Property, plant and equipment (continued)

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Property

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction. It is the policy of the company to have a valuation every three years, with annual appraisals being made by the directors. In accordance with this policy, freehold land was revalued for the year ended 2020. This director's valuation was made by all directors in office at the date of the valuation.

Plant and equipment

Plant and equipment are measured on a cost basis. The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have not been discounted to their present values in determining recoverable amounts. Fixed assets that cost less than \$500 each are written off in full in the year of purchase.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a reducing balance basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	2.5%
Plant and Equipment	10-40%
Greens equipment	15%
Furniture, Fixtures and Fittings	10-25%
Poker machines	40%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(h) Financial instruments

Financial instruments are recognised initially using trade date accounting, i.e. on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

ABN 34 000 243 247

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies (continued)

(h) Financial instruments (continued)

Financial assets (continued)

Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Impairment of financial assets

At the end of the reporting period the Company assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

(i) Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled .

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements.

(j) Leases

At inception of a contract, the Company assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

ABN 34 000 243 247

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies (continued)

(j) Leases (continued)

- The contract involves the use of an identified asset this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right then there is no identified asset.
- The Company has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Company has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

At the lease commencement, the Company recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Company believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Company's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Company's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Exceptions to lease accounting

The Company has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Company recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

(k) Impairment of non-financial assets

At the end of each reporting period the Company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cashgenerating unit (CGU) is estimated.

ABN 34 000 243 247

Notes to the Financial Statements

For the Year Ended 30 June 2022

2 Summary of Significant Accounting Policies (continued)

(k) Impairment of non-financial assets (continued)

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss

(I) Poker Machine Entitlement

The Club currently holds 15 Poker Machine Licenses which have an estimated value of \$12,500 for each entitlement, being an estimated value of \$187,500.

3 Critical Accounting Estimates and Judgments

The directors make estimates and judgments during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgments are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

Key estimates - impairment of property, plant and equipment

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - provisions for expenses

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

Balance at the end of the year	1,911,256	1,004,641	239,655	3,155,552

Land and buildings of \$2,915,897 consists of core assets as defined under the Registered Club Act.

Plant and Equipment of \$239,655 consists of non-core assets under the Registered Club Act.

10 Leases

Company as a lessee

The Company has leases in relation to its poker machines.

The Company has chosen not to apply AASB 16 to leases of intangible assets.

Information relating to the leases in place and associated balances and transactions are provided below.

Terms and conditions of leases

The poker machine leases cover licenses for a period of 36 months, expiring 25 October 2025 with no extension option.

Right-of-use assets

	Plant and Equipment	Total
	\$	\$
Year ended 30 June 2022

Balance at end of year	7,447	7,447

Lease liabilities

The maturity analysis of lease liabilities based on contractual undiscounted cash flows is shown in the table below:

ABN 34 000 243 247

Notes to the Financial Statements

For the Year Ended 30 June 2022

10 Leases (continued)

Lease liabilities (continued)

	< 1 year \$	1 - 5 years \$	> 5 years \$	Total discounted lease liabilities
2022 Lease liabilities	8,705	-	-	8,705
2021 Lease liabilities	25,601	8,705	-	34,306

Extension options

A number of the building leases contain extension options which allow the Company to extend the lease term by up to twice the original non-cancellable period of the lease.

The Company includes options in the leases to provide flexibility and certainty to the Company operations and reduce costs of moving premises and the extension options are at the Company's discretion.

At commencement date and each subsequent reporting date, the Company assesses where it is reasonably certain that the extension options will be exercised.

Statement of Cash Flows		
	2022	2021
	\$	\$
Total cash outflow for leases	22,543	26,280

Company as a lessor

The Company leases out part of its freehold land and buildings. These leases have been classified as operating leases for financial reporting purposes and the assets are included as freehold land and buildings in the statement of financial position (refer to Note 9).

11 Trade and Other Payables

	2022 \$	2021 \$
Current Accrued expenses	61,770	21,924

Dated 30 June 2023

Independent Audit Report to the members of The Picnic Point Bowling & Social Club Ltd

Report on the Audit of the Financial Report

Qualified Opinion

We have audited the accompanying financial report of The Picnic Point Bowling & Social Club Ltd (the Company), which comprises the statement of financial position as at 30 June 2022, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and management's assertion statement.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial report of the Company for the year ended 30 June 2022 is prepared, in all material respects, in accordance with the *Corporations Act 2001* including:

- (i) giving a true and fair view of the Company's financial position as at 31 December 2022 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards Simplified Disclosure Requirements and the *Corporations Regulation 2001*.

Basis for Qualified Opinion

We noted that with respect to the year-ended inventory balances as at 30 June 2022, no stocktake was performed to verify the existence and completeness of inventory. In addition, no movement was recorded in relation to these inventory balances during the year. In turn, we were unable to satisfy ourselves by alternative means covering the completeness and existence of inventory balances as at 30 June 2022 and whether material adjustments may be required to these balances as at year-end.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001* and for such internal controls as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due fraud or error.

In preparing the financial report, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate
 to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher
 than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations,
 or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reporter, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Compilation Report

30 June 2022

COMPILATION REPORT TO THE PICNIC POINT BOWLING & SOCIAL CLUB LTD

We have compiled the accompanying income and expenditure statement and trading account of The Picnic Point Bowling & Social Club Ltd. The financial statements comprise the statement of financial position as at 30 June 2022, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the income and expenditure and trading accounts have been prepared is set out in Note 1.

The Responsibility of the Directors

The directors of The Picnic Point Bowling & Social Club Ltd are solely responsible for the information contained in the income and expenditure and trading accounts and the reliability, accuracy and completeness of the information.

Our Responsibility

On the basis of the information provided by the directors we have compiled the accompanying income and expenditure and trading accounts in accordance with the financial reporting framework and APES 315 Compilation of Financial Information.

We have applied our expertise in accounting and financial reporting to compile the income and expenditure and trading accounts in accordance with . We have complied with the relevant ethical requirements of APES 110 Code of Ethics for Professional Accountants.

Assurance Disclaimer

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile the income and expenditure and trading accounts. Accordingly, we do not express an audit opinion or a review conclusion on the income and expenditure and trading accounts.

The income and expenditure and trading accounts were compiled for the benefit of the directors who are responsible for the reliability, accuracy and completeness of the information used to compile them. We do not accept responsibility for the contents of the income and expenditure and trading accounts.
